*At Home With You*

Your Life... Your Choice

*Bancroft Private Care provided competent and attentive care to my mother in her home. The caregiver was kind, upbeat, and willing to assist with any requests put before her. Our family has been extremely satisfied with this worthwhile program.*

It's "Your Life... Your Choice" at Bancroft Private Care, a sister company to Auburn VNA Health Network (AVHN) that offers private home care services. Bancroft Private Care offers customized individual care plans specially-tailored to meet our clients' and their families' needs.

We understand the importance of developing a relationship with your dedicated caregiver, and our mission is to help our clients stay in their homes for as long as possible. We believe you deserve reliable, one-on-one attention, and we want you to be involved in the creation of the care plan every step of the way.

## **BANCROFT PRIVATE CARE** AUBURN VNA HEALTH NETWORK YOUR LIFE... YOUR CHOICE

At Bancroft Private Care, all our caregivers are trained and supervised by a professional nurse with home care experience. Caregivers are also certified in CPR. We handle all employer responsibilities including tax filings, social security, Workman's Compensation, payroll, and liability insurance. Bancroft Private Care is a licensed, insured, and bonded home care provider, and is accredited by the Home Care Alliance of MA.
